

Website Design & Layout Build Agreement

This is an agreement between the customer _____ and BTC Fiber.

The customer (as named above), is agreeing to have BTC Fiber start a design and layout as well as the necessary hosting and additional elements as requested or required for the website to work as per meeting the desired workings as an end result.

Type of website design and Services requested (check all that apply)

Domain Name Resigration - \$15.00 (renewed annually or multi year fee)

One page website - \$5.95 per month + \$55 Setup fee

Multipage website - \$20.00 per month + \$100 Setup fee

SSL - \$20.00 (renewed annually)

WooCommerce Shopping Cart - \$100.00 (one time fee)

The customer agrees to be billed by BTC Fiber once the desired type of website has been completed (ex: One page website) or to the state at which the website will be turned over to the customer for completion with their starter content (ex: Multi-page website).
